

90<sup>th</sup> Anniversary Spring Luncheon  
May 7, 2019

Our goals are to provide knowledge and education of fibre arts for the members, to preserve fibre arts skills and to encourage their modern application, to provide opportunities to contribute to the community, to facilitate the exhibition of members' achievements in fibre arts, to share guild resources and to gather funds to achieve these goals.

The 90<sup>th</sup> Anniversary booklet (including A Brief History of the Guild and Life Members) was funded by the Spring Luncheon Committee 2017, 2018 & 2019 Co-Chairs: Loraine Constable & Jennie Wolter
